

Our VCISO Model

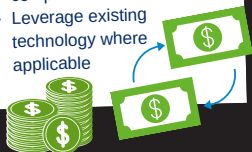

OUR DELIVERABLE FIXED FEE MODEL

Here are six key points to why the "Deliverable Fixed Fee" model is our way to ensure you that all work will be guaranteed complete by certified specialists.

- Investment Value
- Immediate Impact
- Knowledge and Expertise
- Impartial
- Productivity
- Cost Control

INVESTMENT VALUE

- Delivers an outcome that provides a meaningful ROI versus hiring full-time staff
- Access to multiple expert resources
- Guaranteed deliverable completion for a fixed fee
- Leverage existing technology where applicable

KNOWLEDGE AND EXPERTISE

- VCISO professionals operate at a senior level in the client organization
- Expert understanding of the security needs of organizations
- Access to technical experts to assist within each layer of the organization
- Industry-specific security and compliance skills and experience

IMMEDIATE IMPACT

- VCISO can be added to an organization right away within days instead of taking months to hire
- Eliminates prolonged FTE searches

IMPARTIAL

- Uninfluenced by company politics or culture
- VCISO team provides a fresh perspective with a mission in "Alignment of Mitigating Risks" for our clients
- Vendor Agnostic

PRODUCTIVITY

- Operating at a high level alongside the executive management team, the VCISO leader has the credibility to promote change or culture within the client company

COST CONTROL

- Guaranteed to get work done for a fixed fee
- Leverage existing technology where applicable
